20 November 1970

MEMORANDUM FOR: Executive Assistance, OC  
SUBJECT : Increased OC Use of ADP Processes  
REFERENCE : OC-M70-703 dated 5 November 1970

1. As you are aware, much of this staff's activity does not lend itself readily to ADP applications. However, a large part of the workload is based to a large extent on the Agency's new Automated Budget Control (ABC) system. OC-P works closely with OC-A/B&F in this area. FYI, [REDACTED] was one of 25X1A principal sponsors of the Agency's conversion to an automated budget system.
2. We shall continue to examine our procedures to determine if they can be adapted to ADP processes.
